Scientific Program Objectives

The major learning objectives for oncologists and other health care professionals at the RTOG semiannual meetings are to:

1) Participate in the development of clinical and translational research programs that test leading therapeutic alternatives for adult malignancies
2) Increase participants' knowledge about the optimal therapeutic and diagnostic approaches for specific forms of cancer
3) Disseminate new information on approaches to cancer based on knowledge from recently completed RTOG trials and other clinical trials

Letter of Attendance

The American College of Radiology (ACR) will send a letter of attendance to each attendee within 60 days of the RTOG semiannual meeting.

Americans With Disabilities Act

The ACR encourages the participation of all people. Individuals requiring auxiliary aids or services identified in the Americans With Disabilities Act should contact Pam Plater at (800) 227-5463, ext. 4967, or at pplater@acr.org.

Questions???
