RE: RTOG 0834: Study Memorandum

The following changes will be made at the next amendment:

<table>
<thead>
<tr>
<th>Section</th>
<th>Change</th>
</tr>
</thead>
</table>
| 1.0     | Dr. Aldape’s new address is:  
  Toronto General Hospital  
  200 Elizabeth Street, 11th Floor  
  Toronto, Ontario M5G 2C4 Canada  
  416-634-8728  
  Ken.Aldape@uhn.ca |
| 2.1 2.2.2 5.1 | Sites will send tissue for central histology confirmation directly to the NRG Oncology Biospecimen Bank San Francisco versus Dr. Aldape. Dr. Aldape will remotely review tissue once the Biospecimen Bank receives it.  

  Effective immediately, please send pathology material by overnight courier (FedEx/UPS) to:  
  NRG Oncology Biospecimen Bank San Francisco  
  2340 Sutter St, room S341  
  UCSF  
  San Francisco, CA 94115  
  415-476-7864/ FAX 415-476-5271/ RTOG@UCSF.EDU  

  Shipments must be made Monday through Friday. Please notify the NRG Oncology Biospecimen Bank (rto@ucsf.edu) and Dr. Aldape (rtogpath@gmail.com and Ken.Aldape@uhn.ca) on or before the day of submission. |
| 5.2.2.2-5.2.2.7 5.3 | To facilitate prompt histologic confirmation, submission of an accompanying H&E slide will be mandated.  

  Although the H&E slide will not be required until the next amendment, sites are STRONGLY ENCOURAGED to submit an accompanying H&E slide effective immediately. |

Please distribute this information to the appropriate personnel at participating affiliate/NCORP component institutions.
